NEW MENU

FOOD ALLERGIES & INTOLERANCES: Please speak to our staff about the ingredients or want to know more about the ingredients in your meal, when making your order. The majority of our dishes contain bones and the bread has contact with cooked meat. Children should be supervised when eating. We cannot guarantee that all of our dishes are 100% free from nuts or their derivatives. Some items may contain gluten. All menu items are subject to availability.

PIZZAS

Unlike other pizza outlets, we refuse to use frozen, ready prepared bases. Our pizza dough is prepared daily on the premises and are cooked in a traditional Italian stone based oven the "traditional way" for our customers to enjoy the full flavour of a real pizza! All our pizzas are topped with 100% mozzarella cheese complimented with our own special tomato sauce on each base. A pizza's taste is determined by the base its lays upon.
